

BURLINGTON WON, 6 TO 3

Defeated the Giants at Burlington Yesterday.

VICKERS PITCHED WELL.

Smith Also Did Excellent Work Until Forced to Leave the Game Because of Injury—Coombs Was Hit Hard.

Burlington, August 23.—With the exception of one inning, Vickers pitched masterly ball against the Intercity yesterday, and Burlington won the game, 6 to 3. Smith was also doing the same up to the seventh inning, when he had to leave the game because of a wrenched ankle received in running to second. Coombs, who the day before had fooled the Burlingtons at Intercity Park, was substituted and was bumped hard enough to lose the game after the visitors had tied the score in the seventh. Five singles and a base on balls were too big a combination for the prospects of the hard-working Hyphens.

Shaughnessy was the star of the game, in the second catching Deininger's fly and completing a double play by catching Hazelton who had ventured off second. By a remarkably clever throw to the plate Shaughnessy also caught Dowd, thus retiring the side.

Burlington scored once in the third when Page drew a pass and went to third on Vickers' out and scored on Loughlin's single. Two more were tallied in the fifth. Ward hit for a base and Deininger got a pass. Both were sent along by Simon's sacrifice. Page rapped out a slow grounder and Ward scored, Deininger going to third on the attempt to get Ward at the plate. Page started to steal second and Deininger went home.

Up to the seventh inning the visitors got only one hit off Vickers, and in that inning they went after him. Burns started off with a single and Shaughnessy got hit with the ball. Ashmore came into the game with a double just then, on which Burns scored and Shaughnessy went to third. Smith kept up the hitting by rapping out a single, and Shaughnessy scored. Ashmore landed on third. On Dorman's out Ashmore crossed the plate. That tied the score.

The necessary substitution of Coombs for Smith in the eighth was disastrous. Page singled, and Vickers sent him to third with a safe one. Matthews hit for a base, and Page scored. Dowd also got a hit and Hazelton was given a cheap base, forcing Vickers across the plate. Ward scored Matthews with a single, and Dowd was caught at the plate by Shaughnessy's pretty work. That put Burlington three runs to the good. During the next two innings Vickers held the visitors without a hit. The score:

Plattsburg, N. Y., August 23.—Barberick, the Plattsburg twirler, was hit hard by the Rutland batsmen yesterday, 18 hits with a total of 25 bases being made off his delivery. Both teams played listlessly and there was no interest in the game, although the score was a tie at the end of the seventh inning. The score:

Prevent As Well As Cure Headache

If subject to headache, take Dr. Miles' Anti-Pain Pills when you feel the first indication of an attack, and you will find that they rarely ever fail to stop further progress.

Pain weakens the nerves, and the longer you suffer, the more frequent will be the attacks.

On the contrary, if the nerves are relieved of this weakening influence, the attacks will be less frequent, and finally disappear altogether.

Dr. Miles' Anti-Pain Pills contain no opium, cocaine, morphine or chloral in any form. They are absolutely harmless if taken as directed, and will have no other effect, except to drive out the pain.

"Dr. Miles' Anti-Pain Pills are all right, and I can recommend them to any one in need of a remedy for headache, neuralgia, or pain of any kind. My health is not very good, and I am subject to frequent attacks of severe headache, but since I began taking Dr. Miles' Anti-Pain Pills I do not suffer from that trouble as I used to. They never fail to give relief in a few minutes, and if taken promptly on the approach of headache will prevent an attack from coming on. Pain Pills prevent, as well as cure."

AGAINST RIPPER BILL.

Pennsylvania Politicians Ask for an Extra Session.

Harrisburg, Pa., Aug. 23.—United States Senator Boies Penrose and others of the state organization have asked Gov. Pennypacker to call an extra session of the Pennsylvania Legislature. They want to put through bills for the personal registration of voters in cities, requiring that all primary elections of all parties be held at the same time and place, reappointing the senatorial and representative districts and repealing the Philadelphia ripper bill, adopted last winter to deprive the mayor of control over departments of the city government.

This ripper bill was one of the causes of the Philadelphia political revolution. Except the ripper repealer, the above bills have been advocated by the reform Republicans for years, but the organization always refused even to consider them.

Gov. Pennypacker will not give a hint of his intention.

DELAWARE WINS \$5,000 STAKE AT READVILLE

Great Crowd But No Betting at Grand Circuit Races—Audobon Boy Races a Trial Mile in 2:01 1/4.

Readville, Mass., August 23.—The largest crowd ever present at an opening day of the grand circuit races at Readville was in attendance yesterday afternoon when the first heat of the Blue Hill was called.

Three stakes were on the programme, but the interest centered in the \$5,000 Blue Hill for green trotters. There was no pool selling, but the public's favorite for the race was Delaware, from the stable of Daniel W. Maloney of White Plains, N. Y.

This speedy mare justified the confidence of her admirers by taking the first heat in fast time and the crowd were then confident that she would take the race in straight heats.

The public was more than ever confident that there would be "nothing to it" but Delaware when he stepped the second mile in 2:00 1/4, winning the heat easily.

Delaware also won the third heat and race, taking the classic stake in straight heats. She was loudly applauded as she crossed the wire.

Time: 2:10 1/4, 2:09 1/4, 2:09 1/4. In the future for two years old, Noma, the Kentucky filly, won in two heats, taking the first in 2:19 and the second in 2:20 1/4.

Before the races James Y. Gatecomb's stallion, Audobon Boy, paced a trial mile in 2:01 1/4.

STOLE FROM HIS MOTHER.

Winoski Lad Is Now Under Probationer's Care.

Burlington, August 23.—Arthur Lecuyer, a boy about 17 years old, was taken into city court yesterday to plead guilty to a charge of grand larceny consisting of the theft of his mother's watch, valued at \$10. Lecuyer is a Winoski boy. The theft was committed a few days ago and he was bound over to the county court in \$300 by Justice F. L. Graves. Those who instituted proceedings against him repented and did not want the lad to go to prison. Yesterday he pleaded guilty to an information filed against him and received a sentence of not less than six or more than eight months at the House of Correction and pay the costs. Then upon the facts as represented to the court, the sentence was suspended and Lecuyer was placed in the hands of the probation officer, the condition being that he pay the costs. The watch has been returned.
